About Shekel Brainweigh

Shekel Brainweigh has for over 40 years been a global leader in developing scale and weighing technology. The company provides weighing solutions to the highly regulated retail and healthcare markets via global giants such as Toshiba, Fujitsu, GE Healthcare, Diebold Nixdorf and others. Utilising its experience in weighing technology, Shekel Brainweigh is developing a suite of new products aimed at meeting the challenges that traditional retailers face today, such as store automation, operational efficiency including overstock and understock inventory issues and enhancing the consumer experience.

Shekel’s patented combination of weighing technology with Artificial Intelligence (AI) and Internet of Things (IoT) technology has led to the development of the “Product Aware Surface Technology”. Shekel Brainweigh is committed to continuing to innovate and expand into global markets.
